

Isabella Olivas (Ensemble) Isabella is delighted to be making her PVPA debut in *Young Frankenstein*! She was last seen in the staged reading of *Li'l Abner* at Musical Theater West. Her regional theater credits include *Hello Dolly* with 3-D Theatricals and *Bye Bye Birdie* with Cabrillo Music Theatre. Isabella has trained and performed with the Houston Ballet, Long Beach Ballet and the Radio City Rockettes. She is currently a Theater and pre-med Biology student at UCLA where she sings a cappella and with the university chorale. Many thanks to God, her loving and supportive family, Jim, Daniel, Jared, Diane and the entire creative team for this opportunity. Isabella dedicates this show to her extraordinary Mom who made all this possible!
