

Jared Scott (Musical Director) Jared works as a full time music director, performer, and composer/arranger whose music has been heard across the country on television and radio. He has composed, recorded, and performed music for numerous clients including Nickelodeon, ESPN, Paul Frank, Mattel, Microsoft, and Disney, in addition to scoring two internationally award winning short films. Jared regularly provides Music Direction, as well as conducts and performs, for countless shows in theatres all across Southern California. In his spare time, he enjoys running marathons and spending time with his cat, George Washington.
